

NAME	Swathi S	
DESIGNATION	Assoc Professor	
QUALIFICATION	B E M Tech (Phd)	

Paper Presented in International Conference:

1. Technical paper presented in International Conference(ICEECC0T-2018) "**Efficient-CSDA (Consensus based) Approach to Achieve Secure Data Aggregation**" Conducted by GSSSIETW,Mysuru.

Paper Presented in International Conference:

1. Technical paper presented in National Conference "**Enhance throughput efficiency of Ad-hoc wireless networks using Cognitive radio approach**" Conducted by NCET, Bangalore.
2. Technical paper presented in National Conference "**advanced generation of Ticket reservation and validation with GPS using Android applications**" Conducted by GITAM University.
3. Technical paper presented in National Conference "**Dynamic object detection and tracking of Moving objects using Kalman filter and swiping algorithm**" Conducted by RLJIT, Doddaballapur.
4. Technical paper presented in National Conference "**Data transfer between mobiles,smart cards and electronic gadgets through field communication**" Conducted by Sri Krishna Institute of technology Bangalore.
5. Technical paper presented in National Conference "**Twin rolling ball routing technique to avoid the infected area in WSN**" Conducted by NCET, Bangalore.
6. Technical paper presented in National Conference "**Toward contributing efficient data reliabaly to mobile cloud computing and WSN**" Conducted by EXCEL Engineering College Tamilnadu.
7. Technical paper presented in National Conference "**Secure and verifiable policy update outsourcing for Big data access control in the cloud**" Conducted by S J C I T Chikballapur.
8. Technical paper presented in National Conference "**New Secure Intrusion-Detection System for SZRP Using Hybrid Cryptography Techniques**" Conducted by NCET, Bangalore.
