Activity Report

Date of Event: 12th July 2023

Activity: Guest Lecture on Emerging Issues in Financial Management

Details of the Resource Person: Mr. Kishore B S, CEO & Co Founder, Stock Market Institute

Activity Details:

The Department of MBA in association with IIC and IQAC, Nagarjuna College of Engineering and Technology had organized Guest Lecture on Emerging issues in Financial Management for the 2rd semester MBA students of Batch (2022-2024) on 12th July 2023. Mr. Kishore BS, CEO & Co Founder, Stock Market Institute was invited to discuss on Risk Management, Behavioural Finance and Financial Engineering, the various emerging issues in Financial Management. The objectives of conducting guest lecture were to create awareness and understanding among students on various emerging issues in financial management.

Mr. Kishore has started the session with a quiz to know the understanding of financial markets among students. He has expressed his happiness about the basic knowledge of students on markets. Mr. Kishore had discussed about various risks taken by individuals to become successful investors from his personal and professional experiences as a successful investor in the stock market. He gave wonderful insights on behavioral traits to be shown by a successful investor. Mr. Kishore also discussed on various new financial instruments available in the market for the investors. He emphasized on investing for long term in the stock market to reap higher positive returns from investments in stocks. The program concluded with a wonderful Q&A session with deep learning on stock markets and the emerging issues in financial management.
