 Dr. R. Vijayanand is working as an Associate Professor and Head of CSE (Artificial Intelligence & Machine Learning) Department in Nagarjuna College of Engineering and Technology, Bengaluru. He completed his PhD from the Department of Computer Science and Engineering, Kalasalingam Academy of Research and Education, Tamil Nadu under the guidance of Dr. D. Devaraj and Dr. B. Kannapiran in 2018. In 2011, he completed his M.Tech Degree in Computer Science and Engineering from the Kalasalingam University, Tamil Nadu, India. He completed his B.E Degree in PTR College of Engineering and Technology, Madurai, Tamil Nadu in 2009. He has 13 years of Teaching and Research Experience. He is a member of IAENG community. He has authored and co-authored more than 15 journals and conference proceedings. He research interest includes Deep learning algorithms, Machine Learning algorithms, feature selection models, evolutionary algorithms, Network security, Internet of things, image processing, smart grid, Smart City security, Smart transport, Drone technology and wireless networks. He is a reviewer of many international journals like IEEE Access, Transactions on Network Science and Engineering, Security and Privacy, IEEE Transactions on Network and Service Management, IET Communications, Transactions on Big Data, Turkish Journal of Electrical Engineering and Computer Science and INCOS'24 Conference.
