

Mr. Sujith S K is working as an Assitant Professor in the Department of Civil Engineering, Nagarjuna College of Engineering and Technology, Bengaluru, Karnataka, India. He has registered his Ph.D in 2017 in VTU Belagavi. He has completed his master's degree in Structural Engineering from SJCIT, Chickballapur in 2015 and Bachelor of Engineering in Civil Engineering from SJCIT, Chickballapur in 2011. He has 10 years of teaching and research experience. He is a Life Member of ICI and IAENG. He had worked as Lecturer in B.G.S Polytechnic for one year, as a Trainee Engineer at J.M.C, Bangalore for one year and as a Site Engineer at A Nagaraj and Associates Bangalore for one year. He has authored or co-authored 2 research papers in international/ national journal/conference proceedings. His research interests include corrosion in steel, tests on construction materials etc. He is actively involved in consultancy like testing of construction materials, concrete, waterproofing materials, steel with different industries like Nina Percept, Elite Infra and constructions, NCCCL, JMC, Kalpataru, Forest Department etc.

List of Publications

Published a paper on – “Study on Degradation of concrete by chloride Diffusion” International Journal of Innovative Research in Sciences Engineering and Technology. Volume: 07 Issue: 03 | March-2018

Published a paper on – “Comparative Study of Steel Structure using different types of Bracing” International Journal of Research in Engineering and Science (IJRES). Volume: 09 Issue: 09 2021 PP 67-74
