Subject: Request for Quotation: Digital Expansion Consultancy Services

Respected Sir,

I extend my warm regards to you and the distinguished faculty at Nagarjuna College of Engineering and Technology. As part of our ongoing collaboration under the Memorandum of Understanding (MoU) between ReBatt Energy Solutions Pvt Ltd and Nagarjuna College of Engineering and Technology, we are excited to share our plans for digital expansion. Recognizing the exceptional capabilities of your institution, we would like to seek your assistance in the following areas for our company's digital transformation

- **Developing the Company Website:**

We are keen to establish a strong digital presence through an engaging and user-friendly website. We request your esteemed institution's support in developing a website that aligns with our vision and goals.

- **Mobile Application Development for Rebatt Sales and Services:**

In line with the evolving digital landscape, we are exploring the development of a mobile application to enhance the accessibility and efficiency of our sales and services. We believe Nagarjuna College of Engineering and Technology is well-equipped to undertake this task.

- **Developing an IoT Application for Our Products:**

Leveraging the expertise of your institution in the Internet of Things (IoT) domain, we seek your assistance in developing an application that incorporates IoT for our products.

- **Comprehensive Analysis for Sales of the Product:**

To optimize our sales strategies and enhance overall market performance, we are interested in obtaining a comprehensive analysis of our product sales. We believe Nagarjuna College of Engineering and Technology can provide valuable insights in this regard.

In view of the above, we kindly request you to provide us with a quotation for the consultancy services mentioned. We believe that Nagarjuna College of Engineering and Technology's involvement will not only meet our business needs but will also contribute to the academic and research goals of your esteemed institution. We look forward to discussing the details further and are available at your convenience. Your prompt attention to this matter is highly appreciated.

Thank you for considering our request. We are enthusiastic about the prospect of working together and are hopeful for a positive collaboration.

Best Regards,

Subject: Update in Project Timeline

Dear Mr. Shravan V,

I am writing to inform you about a change in the timeline for our ongoing project due to unforeseen circumstances. Nagarjuna College of Engineering and Technology (NCET) has been entrusted with hosting VTU's 22nd Youth Festival 2023- Yuvothasava 2023, which is scheduled to take place from March 2023 to 1st April 2023. As a result, our institution is currently immersed in the extensive preparations and execution of this significant event.

Considering the added responsibilities and commitments associated with the Youth Festival, we anticipate a temporary shift in our capacity to fully engage in the project during this period.

In light of this, we kindly request your understanding and acceptance of the updated timelines for our project. We aim to resume our regular project activities immediately following the conclusion of the Youth Festival.

We understand the importance of adhering to project schedules and appreciate your flexibility and cooperation in accommodating this adjustment. Your consent to the revised timeline will enable us to manage our resources effectively and ensure the successful completion of our collaborative Consultancy Services.

Thank you for your understanding and cooperation. We look forward to your positive response.

Best Regards,

Arun Kumar S
