

Date: 08.04.2024

Nagarjuna College of Engineering and Technology, Bengaluru  
Research & Development Cell  
**Corrigendum**

\*\*\*\*\*

In accordance with the research promotion policy approve in the 15<sup>th</sup> GB meeting on 20/12/2023, Applicable w.e.f 01.01.2024, some modifications and updates have been made regarding the reimbursement and research incentive scheme with respect to the patent filling/publishing/granting.

The Changes are as follows

- The reimbursement or research incentive will be granted to the individual who holds first place on the inventor list or the corresponding filling applicant, with **Nagarjuna College of Engineering and Technology, Bengaluru** stated as their affiliation.
- **The Research Incentive/Reimbursement shall be made once the patent gets grant certificate.**
- **No Reimbursement will be done for patent with filling and publishing status.**

The above-mentioned changes will be applicable from 01/04/2024.
